

LEVEL 2 • C13

Pinot Grigio, Pinot Gris, and texture

PARTICIPANT WORKSHEET

Name _____ Date _____ Sample code(s) _____

Learn before you pour

- Pinot Grigio and Pinot Gris are the same grape; the names often signal market intentions but do not guarantee style.
- Texture means tactile weight, surface, and persistence.
- Ripeness, alcohol, residual sugar, skin contact, lees, and vessels may all change texture.

First pass — write before discussion

Prompt	Sample A / first observation	Sample B / comparison
Body + acidity		
Texture		
Sweetness + warmth		
Style-name prediction + limitation		

Evidence → hypothesis

Observation(s): _____

Hypothesis: _____

Alternative explanation: _____

Confidence [] strong evidence [] plausible [] insufficient evidence

After the reveal / discussion

What held up? _____

What changed? _____

What remains unresolved? _____
